Horses

Horses are farm animals. They are usually black, grey, white and brown in colour. They are known as beasts of burden. They carry people and goods to one place to another. They have long leg, which are very strong. They can easily run long distances. Horses has hard hoofs which protect their feet. They like eating grass and grams they are using in sports like polo and horse riding. An adult male horse is called a stallion and an adult female is called a mare whereas the female baby horse is called a foal and a male baby horse is called a colt. Horses usually move in herds. They live on a stable. They are very useful animals.

1. \_\_\_\_\_

2. \_\_\_\_\_
